Golf Dreams

Located on the edge of the Sports City, this home in Damac Hills is the perfect spot for setting up your next putt. This studio apartment is a breath of fresh air whether you're here to practice your swing or explore Dubai's skyscraper-scattered landscape. Situated within a short driving distance of Jumeirah Golf Estates Club House, Dubai Autodrome, and Dubai Polo & Equestrian Club, you'll find a host of sporting opportunities off your doorstep. When you're not jumping on zoom calls in your light-filled living space, there's a slick table set up on the balcony - perfect for sending emails overlooking the cityscape. Start your day off with a few laps of your building's crystalline pool or lift a few weights in the gym. Fully revitalised, head up to your apartment for a quick breakfast in the dynamic kitchen

before heading out to watch the cricket at Dubai International Cricket Stadium, a ten-minute drive away. When sports is off the agenda, make the twenty-five-minute drive to Dubai Marina's boutique-lined, waterfront promenade, Marina Mall and Marina Beach, here you can spend the afternoon immersed in sartorial and culinary indulgence.
